

NEW RELEASE

Embodying the warm architectural character and timeless stone aesthetic of southern France, the Luberon French Limestone series delivers rich tactile depth combined with exceptional structural durability.

- **3D Natural Finish:** Advanced micro-textured surface capturing natural stone relief.
- **Dual Color Palette:** Available in soft Cream and natural Beige organic tones.
- **Modular Formats:** 1200x600mm, 600x600mm, and 600x300mm sizes.
